Re: Five-Year Permit Renewal- Completeness Determination, Andalex Resources, Inc.,
Wildcat Loadout, ACT/007/033-99PR, Folder #3, Carbon County, Utah

Dear Mr. Glasson:

The Division has determined that the permit renewal application for the Wildcat Loadout is "complete and accurate," with the submittal of updated legal and financial and violation information, and the current bond and evidence of liability insurance.

Publication of the public notice for permit renewal may proceed as required by R645-300-121. The publication should now proceed for four consecutive weeks. At the end of the 30-day comment period, findings for the renewal will be made and the permit renewed unless a factual basis for denial of the renewal is presented to and upheld by the Division.

Sincerely,

A handwritten signature in cursive script, reading "Pamela Grubaugh-Littig".

Pamela Grubaugh-Littig
Permit Supervisor
